WHAT I DID

Built and managed the account's content pr

- Planned and created Instagram content
- Produced short-form product-focused video content
- Designed carousel and seasonal creatives
- Maintained a consistent visual identity
- Reviewed Instagram Insights to track performance

CONTENT APPROACH

PRODUCT	Showcase furniture clearly
VIDEO	Use reels to increase discovery
SEASONAL	Create timely brand content
BRANDING	Keep the feed recognizable

THE RESULT

A measurable first-month result.

The first month focused on building a consistent presence for a local furniture retailer and testing which formats could attract attention. The account reached 1.4K+ views over the last 30 days, with the strongest reel passing 500 views.

WHAT THIS PROJECT DEMONSTRATES

Hands-on account management • Real client work • Content strategy • Reel production • Performance tracking • Ability to turn a local business into a consistent social presence
